Dear Stockholder:

You are cordially invited to attend the 2023 Annual Meeting of Stockholders of CytomX Therapeutics, Inc., a Delaware corporation (the “Company” or “CytomX”). The 2023 Annual Meeting of Stockholders will be held on June 14, 2023, at 1:30 p.m., Pacific Time. The 2023 Annual Meeting of Stockholders will be convened and held entirely online to support and facilitate stockholder participation. You will be able to attend and participate online in the 2023 Annual Meeting of Stockholders by visiting [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023), where you will be able to listen to the meeting live, submit questions, and vote.

The 2023 Annual Meeting of Stockholders is being convened to conduct the following business:

These items of business are more fully described in the Proxy Statement accompanying this Notice of Annual Meeting of Stockholders. NOTICE OF ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JUNE 14, 2023  
AT 1:30 P.M. PACIFIC TIME

**QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING PROCEDURES**

**Why am I receiving these materials?**

We sent you a Notice of Internet Availability of Proxy Materials because the board of directors of CytomX Therapeutics, Inc. (the “Board”) is soliciting your proxy to vote at our 2023 Annual Meeting of Stockholders to be held on June 14, 2023 at 1:30 p.m., Pacific Time. The meeting will be held virtually, via a live webcast at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023). To attend the live webcast, you will need your unique 16-digit control number provided on the Notice of Internet Availability of Proxy Materials.

We invite you to attend the annual meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. Instead, you may vote by proxy over the Internet or by phone by following the instructions provided in the notice or, if you request printed copies of the proxy materials by mail, you may vote by mail.

Pursuant to the rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our Annual Meeting materials, which include this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2022 (the “Form 10-K”), over the internet in lieu of mailing printed copies. We will begin mailing the Notice of Internet Availability to our stockholders of record as of April 17, 2023 (the “Record Date”) for the first time on or about April 27, 2023. The Notice of Internet Availability will contain instructions on how to access and review the 2023 Annual Meeting materials, how to access the live webcast of the 2023 Annual Meeting of Stockholders, and will also contain instructions on how to request a printed copy of the 2023 Annual Meeting materials. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of our proxy materials and the Form 10-K so that our record holders can supply these materials to the beneficial owners of shares of our common stock as of the Record Date. The Form 10-K is also available in the “Financial & Filings” section of our website at <http://ir.cytomx.com/financial-information/annual-reports>.

As used in this Proxy Statement, “CytomX,” the “Company,” “we” or “us” refer to CytomX Therapeutics, Inc., a Delaware corporation.

**Who can vote at the annual meeting?**

Only stockholders of record at the close of business on April 17, 2023 will be entitled to vote at the annual meeting. On this Record Date, there were 66,338,938 shares of common stock outstanding and entitled to vote.

***Stockholder of Record: Shares Registered in Your Name***

If, on April 17, 2023, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. The notice will be sent to you by mail and via the Internet directly by us. As a stockholder of record, you may vote online during the live webcast of the meeting at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023), or vote by proxy. Whether or not you plan to attend the annual meeting online, we urge you to vote on the Internet or by phone as instructed in the notice or by proxy by mail by requesting a paper copy of the proxy materials as instructed in the notice to ensure your vote is counted.

***Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent***

If, on April 18, 2023, your shares were held in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in “street name” and the notice is being forwarded to you by that organization.

## TABLE OF CONTENTS

The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. Your brokerage firm, bank or other agent will not be able to vote in the election of directors unless they have your voting instructions, so it is very important that you indicate your voting instructions to the institution holding your shares. You are also invited to attend the annual meeting online, as instructed in this Proxy Statement. However, since you are not the stockholder of record, you may not vote your shares online during the annual meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

### **What am I voting on?**

There are three matters scheduled for a vote:

- Proposal 1: To elect two directors with terms to expire at the 2026 Annual Meeting of Stockholders.
- Proposal 2: To ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023.
- Proposal 3: A non-binding advisory vote to approve the compensation of our named executive officers.

### **How are proxy materials distributed?**

Under rules adopted by the SEC, we are sending the notice to our stockholders of record and beneficial owners as of April 17, 2023. Stockholders will have the ability to access the proxy materials, including this Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2022, on the Internet at [www.proxyvote.com](http://www.proxyvote.com) or to request a printed or electronic set of the proxy materials at no charge. Instructions on how to access the proxy materials over the Internet and how to request a printed copy may be found on the notice.

In addition, any stockholder may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to stockholders and will reduce the impact of annual meetings on the environment. A stockholder who chooses to receive future proxy materials by email will receive an email prior to next year's annual meeting with instructions containing a link to those materials and a link to the proxy voting website. A stockholder's election to receive proxy materials by email will remain in effect until the stockholder terminates it.

### **How do I vote?**

- For Proposal 1, you may either vote "For" or "Against" or abstain from voting with respect to each nominee to the Board.
- For Proposal 2, you may either vote "For" or "Against" or abstain from voting.
- For Proposal 3, you may either vote "For" or "Against" or abstain from voting.

Please note that by casting your vote by proxy you are authorizing the individuals listed on the Proxy Card to vote your shares in accordance with your instructions and in their discretion with respect to any other matter that properly comes before the annual meeting or any adjournments or postponements thereof.

The procedures for voting are:

#### ***Stockholder of Record: Shares Registered in Your Name***

If you are a stockholder of record as of April 17, 2023, you may vote by attending the annual meeting online at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023) and following the instructions posted on the webcast portal. You may also vote by proxy over the Internet or by phone by following the instructions provided in the Notice of Access of Internet Availability of Proxy Materials or, if you request printed copies of the proxy materials by mail, you may vote by mail. If your proxy is properly executed in time to be voted at the annual meeting, the shares represented by the proxy will be voted in accordance with the instructions you provide. Whether or not you plan to attend the annual meeting online, we urge you to vote by proxy to ensure your vote is counted. You may still attend the annual meeting online and vote online at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023) if you have already voted by proxy, so long as you do so before voting closes.

1. **To vote online during the annual meeting**, visit [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023) and

have ready your 16-digit control number that was included in your Notice of Access of Internet Availability of Proxy Materials or included in the instructions that accompanied your proxy materials. Shares held in your name as the shareholder of record may be voted electronically during the annual meeting. Shares for which you are the beneficial owner but not the shareholder of record may also be voted electronically during the annual meeting.

2. **To vote on the Internet prior to the annual meeting**, go to [www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the 16-digit control number from the notice and follow the instructions. Your vote must be received by 11:59 p.m., Eastern Time, on June 13, 2023 to be counted.
3. **To vote by phone**, request a paper or email copy of the proxy materials by following the instructions on the notice and call the number provided with the proxy materials to transmit your voting instructions. Your vote must be received by 11:59 p.m., Eastern Time, on June 13, 2023 to be counted.
4. **To vote by mail**, request a paper copy of the proxy materials by following the instructions on the notice and complete, sign and date the proxy card enclosed with the paper copy of the proxy materials and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

### ***Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent***

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a notice and voting instructions from that organization rather than from us. Simply follow the instructions to ensure that your vote is counted. To vote online at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with the notice, or contact your broker, bank or other agent to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

### **How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you owned as of April 17, 2023.

### **What is the quorum requirement?**

A quorum of stockholders is necessary to take any action at the meeting, other than to adjourn the meeting. The presence, online or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote will constitute a quorum. On April 17, 2023, there were 66,338,938 shares of common stock outstanding and entitled to vote.

Your shares will be counted toward the quorum only if you submit a valid proxy or vote online at the annual meeting. Abstentions and broker non-votes will be counted toward the quorum requirement. If there is no quorum, the chairman of the annual meeting or a majority of the votes present at the annual meeting may adjourn the annual meeting to another date.

### **What if I return a proxy card but do not make specific choices?**

If you are a stockholder of record and you return a proxy card without marking any voting selections, your shares will be voted:

1. Proposal 1: "For" election of two nominees for director.
2. Proposal 2: "For" the ratification of the Audit Committee's selection of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023.
3. Proposal 3: "For" the non-binding, advisory vote to approve the compensation of our named executive officers.

If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using their best judgment.

## TABLE OF CONTENTS

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, your shares are held by your broker, bank or other agent as your nominee, or in “street name,” and you will need to obtain a proxy form from the organization that holds your shares and follow the instructions included on that form regarding how to instruct the organization to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to “discretionary” items but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of various national securities exchanges, and, in the absence of your voting instructions, your broker, bank or other agent may vote your shares held in street name on such proposals. Non-discretionary items are proposals considered non-routine under the rules of various national securities exchanges, and, in the absence of your voting instructions, your broker, bank or other agent may not vote your shares held in street name on such proposals and the shares will be treated as broker non-votes.

### **Which ballot measures are considered “routine” or “non-routine”?**

Proposal 1 (the election of directors) and Proposal 3 (non-binding advisory vote to approve the compensation of our named executive officers) are considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1 and 3. Proposal 2 (the ratification of the appointment of Ernst & Young LLP, as our independent registered public accounting firm for the year ending December 31, 2023) is considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

### **How are votes counted?**

Votes will be counted by the inspector of election appointed for the annual meeting, who will count:

- With respect to Proposals 1, 2 and 3, “For” votes, “Against” votes and abstentions.
- Additionally, with respect to Proposal 1 and 3, broker non-votes.

### **How many votes are needed to approve each proposal?**

- For Proposal 1 electing two members of the Board, each director must receive a “For” vote from a majority of the votes cast either online or by proxy at the annual meeting and that are entitled to vote on the election of directors. A majority of votes cast shall mean that the number of shares voted “For” the director’s election exceeds 50% of the number of votes cast with respect to that director’s election, with votes cast including votes “Against” in each case and excluding abstentions and broker non-votes with respect to that director’s election.
- For Proposal 2 ratifying the Audit Committee’s selection of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023, the proposal must receive a “For” vote from the majority of the votes cast either online or by proxy at the annual meeting and that are entitled to vote on the proposal, with votes cast including votes “Against” and excluding abstentions. This is a routine proposal and therefore we do not expect any broker non-votes.
- For Proposal 3, being the non-binding advisory vote to approve the compensation of our named executive officers, the proposal must receive a “For” vote from the majority of the votes cast either online or by proxy at the annual meeting and that are entitled to vote on the proposal, with votes cast excluding abstentions and broker non-votes. While the vote on this resolution is advisory and not binding on us, our Compensation Committee and our Board will consider the outcome of the vote on this resolution when considering future executive compensation decisions.

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to the notice and the proxy materials, our directors and employees may also solicit proxies online, by telephone or by other means of communication. We will not pay our directors and employees any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding the notice and any other proxy materials to beneficial owners.

### **What does it mean if I receive more than one notice?**

If you receive more than one notice, your shares are registered in more than one name or are registered in different accounts. Please vote by proxy according to each notice to ensure that all of your shares are voted.

**Can I change my vote after submitting my proxy?**

Yes, you can revoke your proxy at any time before the final vote at the annual meeting. If you are a stockholder of record, you may revoke your proxy in any one of three ways:

1. A duly executed proxy card with a later date or time than the previously submitted proxy;
2. A written notice that you are revoking your proxy to our Secretary, care of CytomX Therapeutics, Inc., at 151 Oyster Point Boulevard, Suite 400, South San Francisco, CA 94080; or
3. A later-dated vote on the Internet or by phone or a ballot cast online at the annual meeting by following the instructions at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023) (simply attending our virtual annual meeting will not, by itself, revoke your proxy).

If you are a beneficial owner, you may revoke your proxy by submitting new instructions to your broker, bank or other agent, or if you have received a proxy from your broker, bank or other agent giving you the right to vote your shares at the annual meeting, by attending our virtual annual meeting by visiting [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023) with your 16-digit control number (available in your notice and proxy card) and following the instructions to vote online.

**How do I attend the virtual/online annual meeting?**

This year’s annual meeting will be held entirely online to support and facilitate stockholder participation. Stockholders of record as of April 17, 2023, will be able to attend and participate in the annual meeting online by accessing [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023). To join the annual meeting, you will need to have your 16-digit control number, which is included on your Notice of Internet Availability of Proxy Materials and your proxy card.

Even if you plan to attend the annual meeting online, we recommend that you also vote by proxy as described herein so that your vote will be counted if you decide not to attend the annual meeting.

**Access to the audio webcast of the annual meeting.** The live audio webcast of the annual meeting will begin promptly at 1:30 p.m., Pacific Time on June 14, 2023. Online access to the audio webcast will open approximately thirty minutes prior to the start of the annual meeting to allow time for you to log in and test the computer audio system. We encourage our stockholders to access the annual meeting prior to the start time

**Log in Instructions.** To attend the online annual meeting, log in at [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023). Stockholders will need their unique 16-digit control number, which appears on the Notice of Internet Availability of Proxy Materials and the instructions that accompanied the proxy materials. In the event that you do not have a control number, please contact your broker, bank, or other nominee as soon as possible and no later than June 3, 2023, so that you can be provided with a control number and gain access to the annual meeting.

**Submitting questions at the virtual annual meeting.** As part of the annual meeting, we will hold a live question and answer session, during which we intend to answer questions submitted during the meeting in accordance with the annual meeting’s rules of conduct that are pertinent to the Company and the meeting matters, as time permits. Questions and answers will be grouped by topic and substantially similar questions will be grouped and answered once. The annual meeting’s rules of conduct will be posted on the Company website approximately 2 weeks prior to the date of the annual meeting.

**Technical Assistance.** Beginning 30 minutes prior to the start of and during the virtual annual meeting, we will have a support team ready to assist stockholders with any technical difficulties they may have accessing or hearing the virtual meeting.

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, you may call our support team at the numbers available on [www.virtualshareholdermeeting.com/CTMX2023](http://www.virtualshareholdermeeting.com/CTMX2023).

**Availability of live webcast to team members and other constituents.** The live audio webcast will be available to not only our stockholders but also our team members and other constituents.

**When are stockholder proposals due for next year’s annual meeting?**

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), some stockholder proposals may be eligible for inclusion in our proxy statement for our 2024 Annual Meeting of Stockholders. Any such proposal must be submitted in writing by December 30, 2023, to our Secretary, care of

## TABLE OF CONTENTS

CytomX Therapeutics, Inc., at 151 Oyster Point Boulevard, Suite 400, South San Francisco, CA 94080, the address of our principal executive offices. If we change the date of our 2024 Annual Meeting of Stockholders by more than 30 days from the date of the 2023 Annual Meeting of Stockholders, the deadline shall be a reasonable time before we begin to print and send our proxy materials. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities laws and our bylaws. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that if you wish to submit a proposal that is not to be included in next year's proxy statement or nominate a director, a timely written notice of a stockholder proposal must be delivered to, or mailed and received by, our Secretary, care of CytomX Therapeutics, Inc., at 151 Oyster Point Boulevard, Suite 400, South San Francisco, CA 94080, no earlier than February 15, 2024 and no later than the close of business on March 16, 2024, which notice must contain the information specified in our bylaws. If we change the date of our 2024 Annual Meeting of Stockholders by more than 30 days before, or more than 60 days after, the one-year anniversary of the 2023 Annual Meeting of Stockholders, then the written notice of a stockholder proposal that is not intended to be included in our proxy statement must be delivered, or mailed and received, not later than the 90<sup>th</sup> day prior to our 2024 Annual Meeting of Stockholders or, if later, the 10<sup>th</sup> day following the day on which certain public disclosure as described in our bylaws of the meeting date is made.

In addition to satisfying the foregoing requirements under our current bylaws, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees for our annual meeting to be held in 2024 must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than 5:00 p.m., Eastern Time, on April 2, 2024, including providing a statement that such stockholder intends to solicit the holders of shares representing at least 67% of the voting power of the Company's shares entitled to vote on the election of directors in support of director nominees other than the Company's nominees. If our 2024 annual meeting is changed by more than 30 calendar days from the first anniversary of our 2023 annual meeting, stockholders must comply with the additional requirements of Rule 14a-19(b) under the Exchange Act no later than the later of 60 calendar days prior to the date of the 2024 annual meeting or the 10th calendar day following the day on which public announcement of the date of the 2024 annual meeting is first made.

We intend to file a proxy statement and WHITE proxy card with the SEC in connection with our solicitation of proxies for our 2024 Annual Meeting of Stockholders. Stockholders may obtain our proxy statement (and any amendments and supplements thereto) and other documents for our 2024 Annual Meeting of Stockholders as and when filed by us with the SEC without charge from the SEC's website at: [www.sec.gov](http://www.sec.gov).

### **What is "householding" and how does it affect me?**

We have adopted a procedure approved by the SEC called "householding." Under this procedure, stockholders who have the same address may receive only one copy of our annual report, proxy statement or Notice of Internet Availability of Proxy Materials, unless one or more of these stockholders notifies us that they wish to receive individual copies of such documents. This process potentially means extra convenience for stockholders and cost savings for companies.

If you are a beneficial owner of our common stock, once you receive notice from your broker, bank or other agent that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate copies of our annual report, proxy statement or Notice of Internet Availability of Proxy Materials, please notify your broker, bank or other agent, and direct your written request to CytomX Therapeutics, Inc., Secretary, at 151 Oyster Point Boulevard, Suite 400, South San Francisco, CA 94080 or contact our Secretary at (650) 528-2923. Upon written or oral request to us, we will promptly deliver a separate copy of the annual report to security holders, proxy statement, or Notice of Internet Availability of Proxy Materials, as applicable, to a security holder at a shared address to which a single copy of the documents was delivered. Stockholders who currently receive multiple copies of our annual report, proxy statement or Notice of Internet Availability of Proxy Materials at their address and would like to request householding of their communications should contact their broker, bank or other agent.

### **How can I find out the results of the voting at the annual meeting?**

Preliminary voting results will be announced during the live webcast of the annual meeting. Final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days following the annual meeting.

**PROPOSAL 1: ELECTION OF DIRECTORS**

Our Board currently consists of seven directors and is divided into three classes, designated as Class I, Class II and Class III. Under our Amended and Restated Certificate of Incorporation, our Board is authorized to assign its members in office to each class. Each class has a term of three years. There are currently two directors in Class II, Matthew P. Young and Elaine V. Jones, Ph.D., whose terms of office are scheduled to expire at the 2023 Annual Meeting of Stockholders. Each of Mr. Matthew P. Young and Dr. Elaine V. Jones have been nominated for election at the 2023 Annual Meeting of Stockholders.

Any vacancies on our Board resulting from death, resignation, disqualification, removal or other causes, and any newly created directorships resulting from any increase in the number of directors, shall be filled by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board. Any director elected to fill a vacancy shall hold office for the remainder of the unexpired term in which the vacancy occurred or newly created directorship was created and until such director’s successor shall have been elected and qualified.

Directors are elected by a majority of the votes cast at the annual meeting and entitled to vote on the election of directors. A majority of votes cast shall mean that the number of shares voted “For” a director’s election exceeds 50% of the number of votes cast with respect to that director’s election, with votes cast including votes “Against” in each case and excluding abstentions and broker non-votes with respect to that director’s election. Shares represented by executed proxies will be voted for the election of the two nominees named below, unless the “Against” or “Abstain” voting selection has been marked on the proxy card.

If any of Mr. Matthew P. Young or Dr. Elaine V. Jones become unavailable for election as a result of an unexpected occurrence, shares that would otherwise be voted for such director will be voted for the election of a substitute nominee proposed by the Nominating and Corporate Governance Committee and nominated by the Board. Mr. Matthew P. Young and Dr. Elaine V. Jones have agreed to serve if elected. Our management has no reason to believe that either of Mr. Matthew P. Young or Dr. Elaine V. Jones will be unable to serve. If elected at the annual meeting, each of Mr. Matthew P. Young and Dr. Elaine V. Jones will serve until the earliest of the 2026 Annual Meeting of Stockholders, or their respective successor is elected and qualified, or until their respective death, resignation or removal.

The following are brief biographies of Mr. Matthew P. Young and Dr. Elaine V. Jones, the nominees for director, and a discussion of their specific experience, qualifications, attributes or skills that led the Nominating and Corporate Governance Committee of the Board to recommend each of Mr. Young and Dr. Jones for director, as of the date of this proxy statement.

Mr. Young received a B.S. in economics and a M.B.A. from the Wharton School of the University of Pennsylvania. ## PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board has selected Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023 and has further directed that management submit the selection of our independent registered public accounting firm for ratification by the stockholders at the annual meeting. Ernst & Young LLP has audited our financial statements for each of our fiscal years since the fiscal year ended December 31, 2017. Representatives of Ernst & Young LLP are expected to be present at the virtual annual meeting. During the webcast, they will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions submitted online.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in our best interests and our stockholders' best interest.

The affirmative vote of the holders of a majority of the shares of our common stock present online or represented by proxy at the annual meeting and entitled to cast votes on this proposal will be required to ratify the selection of Ernst & Young LLP for our fiscal year ending December 31, 2023. Abstentions will not be counted as votes cast on this proposal. No broker non-votes are expected to exist in connection with this proposal.

### Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures for the pre-approval of audit and non-audit services provided by our independent registered public accounting firm, Ernst & Young LLP. The policy generally requires pre-approval for specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee will review both audit and non-audit services performed by Ernst & Young LLP and the fees charged for such services on at least an annual basis. Among other things, the Audit Committee will review

[TABLE OF CONTENTS](#)

non-audit services proposed to be provided by Ernst & Young LLP and pre-approve such services only if they are compatible with maintaining Ernst & Young LLP's status as an independent registered public accounting firm. All services provided by Ernst & Young LLP in 2022 and 2021 were pre-approved by our Board or the Audit Committee after review of each of the services proposed for approval.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2023.**

**PROPOSAL 3: NON-BINDING, ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

**Summary**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC’s rules, commonly known as a “Say-on-Pay” vote. Accordingly, we are seeking a non-binding, advisory vote to approve the compensation of our named executive officers as described in the “Executive Compensation Summary” section of this Proxy Statement and the compensation tables and accompanying narrative disclosures that follow.

**Board Recommendation**

Our Compensation Committee and the Board believe that the information provided in the “Executive Compensation Summary” section of this Proxy Statement, compensation tables and accompanying narrative disclosures demonstrates that our executive compensation program is designed appropriately, emphasizes pay for performance and aligns management’s interests with our stockholders’ interests to support long-term value creation.

Accordingly, our Board recommends that stockholders vote “FOR” the following resolution:

RESOLVED, that stockholders of CytomX Therapeutics, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the “Executive Compensation Summary,” section, compensation tables and the accompanying narrative disclosures of this Proxy Statement.

While the vote on this resolution is advisory and not binding on us, the Compensation Committee, or our Board, the Compensation Committee and our Board values thoughtful input from stockholders and will consider the outcome of the vote on this resolution when considering future executive compensation decisions. Our Board has adopted a policy of providing for annual advisory votes from stockholders on executive compensation. Unless our Board modifies its policy on the frequency of future Say-on-Pay advisory votes, the next Say-on-Pay advisory vote will be held at the 2024 annual meeting of stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE, ON A NON-BINDING ADVISORY BASIS, “FOR” THE RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

### **Meetings of the Board of Directors**

The Board met eight times during the fiscal year ended December 31, 2022. The Audit Committee of the Board met four times, the Compensation Committee of the Board met nine times and the Nominating and Corporate Governance Committee of the Board met three times. Each member of the Board attended at least 75% of the aggregate number of meetings of our Board and of the committees on which they served, that were held during the period of the last fiscal year and during which they served on the Board or such committees.

### **Director Attendance at Annual Meetings**

Our Board has a policy of encouraging director attendance at our annual meetings of stockholders, but attendance is not mandatory. Our Board and management team encourage all of our directors to attend the virtual 2023 Annual Meeting of Stockholders. All of our directors attended the virtual 2022 Annual Meeting of Stockholders.

### **Corporate Governance Guidelines**

The Board has documented our governance practices in our corporate governance guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The guidelines are also intended to align the interests of directors and management with those of our stockholders. The corporate governance guidelines set forth certain practices the Board will follow with respect to Board composition, Board committees, Board nomination, director qualifications and evaluation of the Board and committees. The corporate governance guidelines and the charter for each committee of the Board may be viewed at [www.cytomx.com](http://www.cytomx.com).

### **Board Leadership Structure**

Our bylaws and Corporate Governance Guidelines provide our Board with flexibility to combine or separate the positions of chairman of the Board and chief executive officer and/or the implementation of a lead director in accordance with its determination that utilizing one or the other structure would be in the best interests of the Company. The position of chief executive officer and chairman of the Board is currently held by Sean A. McCarthy, D. Phil. The Board also appointed Matthew P. Young to serve as Lead Independent Director of the Board. In that role, Mr. Young presides over the executive sessions of the Board in which Dr. McCarthy does not participate, serves as a liaison to Dr. McCarthy and management on behalf of the Board and performs such other duties and exercises such other powers as may from time to time be assigned by the bylaws or the Board.

Our Board has concluded that our current leadership structure is appropriate at this time. However, our Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

### **Risk Oversight**

The Board monitors and assesses key business risks directly through deliberations of the Board and also by way of delegation of certain risk oversight functions to be performed by committees of the Board. The Board regularly reviews and assesses, among other matters, the following important areas that present both opportunities and risk to the Company's business:

- review and approval of the Company's annual operating and capital spending plan and review of management's updates as to the progress against the plan and any related risks and uncertainties;
- periodic consideration of the balance of risk and opportunities presented by the Company's medium to long-term strategic plan and the potential implications of success and failure in one or more of the Company's key drug development programs;

- regular consideration of the risks and uncertainties presented by alternative clinical development strategies;
- regular review of the progress and results of the Company’s clinical development programs and early research efforts, including, without limitation, the strengths, weaknesses, opportunities and threats for these programs;
- periodic review and oversight of any material outstanding litigation or threatened litigation;
- review and approval of material collaboration partnerships for the further development and commercial exploitation of the Company’s proprietary drug development programs and technologies;
- regular review and approval of the annual corporate goals and an assessment of the Company’s level of achievement against these established goals;
- regular review of the Company’s financial position relative to the risk and opportunities for the Company’s business;
- periodic review of the Company’s intellectual property estate;
- review and assessment of succession planning and performance concerns for the Section 16 officers;
- review and approval of safety protocols and operational guidelines recommended by the Company’s COVID-19 Transition, Readiness, and Communications team; and
- periodic review of the Company’s compensation programs.

The discussion above of risk oversight matters reviewed by the Board is intended to be illustrative only and not a complete list of all important matters reviewed and considered by the Board in providing oversight and direction for the Company’s senior management and business.

The risk oversight function of the Board is also administered through various Board committees. The Audit Committee oversees the management of financial, accounting, internal controls, disclosure controls, the engagement and regular oversight of the independent auditors and other financial compliance risks. The Audit Committee also periodically reviews the Company’s investment policy for its cash reserves and fraud monitoring practices and procedures, including the maintenance and monitoring of a whistleblower hotline.

The Compensation Committee is responsible for the design and oversight of the Company’s compensation programs. The Compensation Committee also regularly reviews and reports to the Board on succession planning for the chief executive officer and certain other select senior management positions.

The Nominating and Corporate Governance Committee periodically reviews the Company’s corporate governance practices, including certain risks that those practices are intended to address and certain corporate compliance risks. The Nominating and Corporate Governance Committee periodically reviews the composition of the Board to help ensure that a diversity of skills and experiences is represented by the members of the Board taking into account the stage of growth of the Company and its strategic direction, as well as identifies, evaluates and nominates qualified candidates.

In carrying out their risk oversight functions, the Board and its committees routinely request and review management updates, reports from the independent auditors and legal and regulatory advice from outside experts, as appropriate, to assist in discerning and managing important risks that may be faced by the Company. The Board is committed to continuing to ensure and evolve its risk oversight practices as appropriate given the stage of the Company’s evolution as a drug development Company and the fast-paced changes in the biopharmaceutical industry.

### **Independence of the Board of Directors**

Under the rules of The Nasdaq Stock Market LLC (“Nasdaq”), independent directors must comprise a majority of a listed company’s board of directors within twelve months from the date of listing. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating and corporate governance committees be independent. Audit committee members must also satisfy additional independence criteria set forth in Rule 10A-3 under the Exchange Act, and in Nasdaq Rule 5605(c)(2)(A). Under Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

## TABLE OF CONTENTS

To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in their capacity as a member of the audit committee, the board of directors or any other board committee, accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries or be an affiliated person of the listed company or any of its subsidiaries.

Our Board has undertaken a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including family relationships, our Board determined that none of our directors, other than Dr. McCarthy, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Nasdaq rules. Dr. McCarthy is not considered independent because he is an employee of the Company. Our Board determined that Matthew P. Young, a member of our Audit Committee, James R. Meyers, a member of our Compensation Committee, Elaine V. Jones, Ph.D., a member of our Compensation Committee and Nominating and Corporate Governance Committee, Halley Gilbert, a member of our Audit Committee and Nominating and Corporate Governance Committee, Mani Mohindru, Ph.D., a member of our Compensation Committee and Audit Committee, and Alan Ashworth, Ph.D., a member of our Nominating and Corporate Governance Committee, satisfy the independence standards for such committees established by applicable SEC and the Nasdaq rules, including, with respect to Ms. Gilbert, Dr. Mohindru and Mr. Young, the heightened independence criteria applicable to the Audit Committee, as set forth in Rule 10A-3 and Nasdaq Rule 5605. In making these determinations, our Board considered the relationships that each non-employee director has with us and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

The overall objective of our compensation program is to support business objectives which will deliver shareholder value by attracting, retaining, and engaging the highest caliber of employees, including executive officers, while maintaining a fiscally responsible position in a highly competitive employment environment. Consistent with this overall objective, the goals of the executive compensation program are to:

- Attract, motivate, retain and engage the highest caliber of executive leadership
- Maintain a fiscally responsible suite of compensation programs in a highly competitive employment environment
- Link incentive award opportunities and payouts to the achievement of measurable individual and corporate goals
- Align the interests of executive officers with the interests of our shareholders by tying compensation to the achievement of our short- and long-term strategic, operational and financial goals, which will serve to maximize responsible value creation

To achieve these goals, we endeavor to maintain compensation plans that tie a substantial portion of executives’ overall compensation to key strategic, operational and financial goals that are supportive of our business strategy. The Compensation Committee also considers internal equity for all employees including, but not limited to, its executive officers, when determining compensation to ensure that the Company is fair in its compensation practices across all levels and to ensure that there is no discrimination in compensation practices.

**Process for Setting Executive Compensation*****Role of the Compensation Committee***

Appointed by our Board, Compensation Committee members are independent of management and meet the Nasdaq listing standards for independence. The Compensation Committee acts on behalf of the Board to oversee the compensation policies and practices applicable to all our employees, including the administration of our equity plans and employee benefit plans. Typically, the Compensation Committee meets at least once quarterly and with greater frequency as necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the Chief Executive Officer and other members of management, as necessary, as well as our independent compensation consultant, the Aon Human Capital Solutions practice, a division of Aon plc (formerly known as Radford) (“Aon”). The Compensation Committee also regularly meets in executive session without the presence of any employees. Historically, the Compensation Committee makes decisions related to executive compensation after conducting meetings during the fourth quarter of the calendar year and early in the first quarter of the ensuing year.

***Role of Independent Compensation Consultant***

The Compensation Committee retained the services of Aon as an independent executive compensation consultant due to its extensive analytical and compensation expertise in the biotechnology and pharmaceutical

## TABLE OF CONTENTS

industry. In this capacity, Aon has advised the Compensation Committee on compensation matters related to employee compensation, including the executive and director compensation programs. In fiscal 2022, Aon assisted the Compensation Committee with the following:

- Review and suggest changes to our compensation peer group for our executive and Board positions.
- Analyze competitive market compensation for our executives and directors based on recommended peer companies and broader market survey data.
- Develop and refine executive and director compensation programs.
- Provide guidance on emerging executive compensation governance issues and industry best practices.

The Compensation Committee has the sole authority to engage and terminate Aon's services, as well as to approve their compensation. Aon makes recommendations to the Compensation Committee, but has no authority to make compensation decisions on behalf of the Compensation Committee or the Company. Aon reports to the Compensation Committee and has direct access to the Chairperson and the other members of the Compensation Committee. In addition to advice related to the executive and director compensation programs, Aon performs an analysis of all employee compensation for the Company.

The Compensation Committee conducted a specific review of its relationship with Aon in the past year, including consideration of the independence factors under applicable SEC and Nasdaq rules. The Committee determined that Aon is independent and that its work for the Compensation Committee did not raise any conflicts of interest.

### ***Role of Management***

To aid the Compensation Committee in its responsibilities, the Chief Executive Officer, with assistance from the Senior Vice President, Talent and Systems, regularly discusses compensation-related matters with the Chairperson of the Compensation Committee and then meets with the Compensation Committee to discuss these matters. The Chief Executive Officer also provides the Compensation Committee with quarterly recommendations relating to the level of achievement of our corporate goals. In addition, he presents to the Compensation Committee assessments of the performance and achievements for each of the NEOs (other than himself) for the prior year and makes recommendations regarding compensation arrangements for these individuals. The Compensation Committee gives considerable weight to the Chief Executive Officer's performance evaluations of the other NEOs since he has direct knowledge of the criticality of their work, performance and contributions. The Compensation Committee does not consult with any other executive officer with regard to its decisions. The Chief Executive Officer does not participate in the Compensation Committee's or Board's deliberations or decisions regarding his own compensation, which is approved by the independent members of the Board.

### ***Use of Market Data and Peer Group Analysis***

When considering executive compensation decisions, the Compensation Committee believes it is important to be informed as to current compensation practices of publicly held companies in the life sciences industry that are most similar to CytomX in terms of labor market competition, stage of product development, market capitalization and number of employees.

In fiscal 2022, as in prior years, the Compensation Committee referenced Aon's market data for our peer group, along with other factors, in setting total compensation for our NEOs because industry competition for executive management is intense and the retention of our highly skilled leadership team is critical to our success. In determining market-competitive compensation for our NEOs, our Compensation Committee has not targeted a specific percentile relative to our compensation peer group for individual components of our total compensation, but rather generally used a range between the 50<sup>th</sup> to 75<sup>th</sup> percentiles as a reference point. Competitive market data regarding compensation is just one factor considered in determining the individual compensation of executives. Other important considerations include experience, individual performance, relative scope of responsibilities compared with external market positions surveyed, internal equity and retention.

### ***2022 Peer Group***

In June 2022, based on the recommendation of Aon, the Compensation Committee approved a defined peer group for reference purposes when making 2022 executive officer compensation decisions. With the assistance of Aon, the Compensation Committee considered several factors in determining the appropriate companies to be named as peers, including:

## TABLE OF CONTENTS

- **Sector/Geography:** US-based biotechnology companies, located in San Francisco Bay Area or other biotech “hub” markets that reflect the talent market.
- **Stage of development:** Pre-commercial companies, with a continued focus on oncology companies when possible.
- **Market capitalization:** Generally, between \$200M and \$1.5B.
- **Number of employees:** Headcount under 450 employees

Using our selected criteria, the following 21 companies were identified by the Compensation Committee as the defined peer group for 2022 executive compensation decisions (new additions denoted with \*):

Agenus	IGM Biosciences*	RAPT Therapeutics
Atara Biotherapeutics	Jounce Therapeutics	Repare Therapeutics*
Beyond Spring	Kezar Life Sciences	Sangamo Therapeutics
BioAtla*	Leap Therapeutics*	Scholar Rock
Gritstone Bio	MacroGenics	Sutro Biopharma
Harpoon Therapeutics	Mersana Therapeutics	TCR2 Therapeutics
IDEAYA Biosciences	Nkarta*	Voyager Therapeutics

### **Elements of Compensation**

The Compensation Committee’s objective is to have compensation programs and practices that are competitive with our peers and industry through a mix of cash (base salary and annual, performance-based cash incentive bonuses) and long-term incentives (equity awards).

### **Base Salaries**

The Compensation Committee’s philosophy is to maintain base salaries at a competitive level sufficient to recruit and retain individuals possessing the skills and capabilities necessary to achieve the Company’s goals over the long-term. Base salaries serve to provide fixed cash compensation to our executive officers for performing their ongoing responsibilities. Base salaries for our executive officers are approved upon joining the Company by the Compensation Committee and are based on arm’s length negotiations and a review of competitive market data. They are reviewed on an annual basis and adjusted, as appropriate, by the Compensation Committee, following consultation with Aon and taking into consideration the Chief Executive Officer’s recommendations.

Such annual adjustments are based on factors that may include each executive officer’s:

- Position and specific responsibilities.
- Individual performance.
- Level of experience.
- Contribution to corporate and strategic goals.
- Competitive market data for comparable positions at peer companies and the broader market.

## TABLE OF CONTENTS

The Compensation Committee reviewed our NEOs' base salaries referencing relevant compensation survey data from Aon (including peer company data), as well as taking into account our Chief Executive Officer's assessment of individual executive performance (except with respect to his own salary). Based on this review, the Compensation Committee increased our NEOs' base salaries in 2022 effective as of January 1, 2022, as set forth below:

Named Executive Officer	NEO BASE SALARIES		
	FY 2021	FY 2022	% Increase
Sean A. McCarthy, D. Phil.	\$615,825	\$633,450	2.8%

Jeff Landau	\$380,000	\$400,000	5.2%

(1) Dr. Peterson separated employment from the Company, effective September 12, 2022.

(2) Mr. Campoy separated employment from the Company, effective September 30, 2022.

### ***Annual Performance-Based Cash Incentives***

Our annual cash incentive program is designed to reward all employees, including our NEOs, for the achievement of the Company's annual corporate goals, as well as individual performance against annual individual goals. We believe that annual incentives hold executives accountable, reward executives based on actual business results and help create a "pay for performance" culture. There are no minimum or guaranteed bonus payments for employees, including the NEOs.

Under our cash incentive program, every employee, including each NEO, has an established annual performance-based incentive target, which is equal to a percentage of the employee's base salary. This percentage increases as levels of responsibility increase.

### ***Executive Incentive Opportunities***

Under our cash incentive program, each of our executive officers has an established annual incentive target which is equal to a percentage of their base salary (AIP). The actual earned annual incentive bonus, if any, is calculated based on corporate goal achievement and their individual goal achievement, multiplied by the AIP. For 2022, our NEOs had the following annual AIP cash incentive opportunities. The target AIP opportunities as a percentage of base salary were set at the same level as in 2021.

Named Executive Officer	Target AIP (as % of base salary)
Sean A. McCarthy, D. Phil.	60%
Lloyd A. Rowland, J.D.	40%
Jeff Landau	40%
Amy Peterson, M.D. <sup>(1)</sup>	50%
Carlos Campoy <sup>(2)</sup>	40%

(1) Dr. Peterson separated employment from the Company, effective September 12, 2022.

(2) Mr. Campoy separated employment from the Company, effective September 30, 2022.

### ***Annual Corporate Performance Goals***

At the beginning of each year, our Chief Executive Officer develops annual corporate goals with input from our executive management team. The goals relate to our strategic, operational and financial strategy. Each goal is assigned a weighting based on its importance and business value for CytomX and our shareholders. Each of the goals is established with criteria for getting to target goal accomplishment (100%) and criteria for obtaining stretch goal accomplishment (up to 150%). The Compensation Committee reviews and adjusts the proposed corporate goals and associated weightings as necessary and then recommends them to the Board for approval.

At the end of each performance year, the Chief Executive Officer presents to the Compensation Committee an assessment of the Company's achievement against the pre-established annual corporate goals. The Compensation Committee reviews and discusses the corporate performance assessment, makes adjustments based on events or

## TABLE OF CONTENTS

circumstances as it deems appropriate, and determines an overall corporate performance score representing the extent to which the Company achieved its overall objectives for the year. The corporate performance score can range up to 150% and is approved by the Board upon recommendation from the Compensation Committee. This corporate performance score serves as the basis for determining actual bonus payouts under the annual cash incentive plan.

In 2022 we established corporate goals that focused 50% of our goal achievement on development, including advancing our clinical trials towards meaningful decision points. We established goals for achievement of research objectives weighted at 25%, progress in our business development and financing objectives at weighted at 15%, and goals for strengthening our corporate culture, including enhancement of employee performance weighted at 10%. Because each of our corporate goals is related to our business strategy and is highly confidential, we do not publicly disclose them, as we believe their disclosure would provide our competitors, customers and other third-parties with significant insights regarding our confidential business strategies that could cause us substantial harm.

### *2022 Corporate Performance*

For 2022 our revised corporate goals were based on the following:

1. Clinical development goals for CX-2009, including meaningful advancement in enrolment and data generation and other progress on CX-2009, monotherapy and in combination with CX-072;
2. Clinical development goals for CX-2029, including meaningful advancement in enrollment and data generation;
3. Clinical development goals for CX-904, including advancement of patient enrollment;
4. Research goals, including the nomination of additional clinical candidates and the accomplishment of other projects pertaining to the advancement of potential product candidates;
5. Research goals, including the development of diagnostic patient selection strategies;
6. Financing and business development goals pertaining to the Company's ability to secure new partnerships in the biopharma space and operate in accordance with its long-range planning effort; and,
7. Company culture goals, including goals pertaining to the development and retention of employees, enhancement of the Company's compliance culture with additional compliance training programs, and enhancing the Company's post-pandemic working model for employees;

Development goals pertaining to clinical trial progress on CX-2029	15%	100%	150%	90%
Development goals pertaining to clinical trial progress on CX-2009 monotherapy and in combination with CX-072	20%	100%	150%	67%

Financing and business development	15%	100%	150%	125%
Company culture goals, including goals pertaining to employee retention and development, enhancement of the compliance culture, and establishment of the Company working model	10%	100%	150%	100%
<b>Aggregate weighted attainment level</b>				<b>104.6%</b>

In early 2023, the Compensation Committee reviewed the Company’s accomplishments for 2022, and determined that the overall achievement percentage of the Company was 104.6% based on the total of each corporate goal accomplishment set forth above.

*Individual Performance*

To further our commitment to a pay for performance culture, we allocate our annual bonus pool by applying a multiplier to the corporate performance score, based on each executive’s individual performance rating. At the end of each performance year, the Chief Executive Officer presents the Compensation Committee with an evaluation of each executive officer’s performance against pre-established annual individual goals, as well as a performance rating for each executive officer (other than himself) and a recommended annual incentive award amount for each executive officer (other than himself) based on the corporate performance score and the recommended individual performance rating multiplier. For 2022, the Compensation Committee determined that our annual bonus awards should be calibrated to pay out at 100% of overall target if an individual’s performance has been rated at the “Meets Expectations” level. For those executives receiving an “Exceeds Expectations” rating, annual bonus payouts based on the corporate performance score were at 105% of overall target. For those executives receiving an “Outstanding” individual performance rating, annual bonus payouts based on corporate performance score were 120% of the overall target. This element of our compensation philosophy is reflected across the entire organization and is not restricted to executive officers.

Dr. McCarthy’s performance is assessed based on leading the Company to achieve its corporate goals and he therefore received a performance rating of 104.6% for 2022. Each other NEO received a performance rating calibrated to reflect actual performance against expectations for their target performance. Mr. Landau received a rating of outstanding, reflecting his impact in securing strategic partnerships with multiple biopharma companies and his efforts in guiding corporate strategy during the course of 2022. Mr. Rowland received an exceeds expectations performance rating, reflecting his work across key legal matters, including strategic partnership negotiations and the Company’s 2022 corporate restructuring, and progress in the Company’s corporate compliance program.

*2022 Earned Cash Bonuses*

Based on the annual bonus determination process described above, the following table sets forth each executive’s target annual bonus percentage for 2022 and associated dollar value, as well as the annual bonus payments for each NEO for the 2022 performance year.

Named Executive Officer	2022 Base Salary (\$)	Opportunity		Actual
		Target AIP (as % of base salary)	Target AIP(\$)	2022 Earned Award (\$)
Sean A. McCarthy, D. Phil.	633,450	60%	380,070	397,553
Lloyd A. Rowland, J.D.	432,400	40%	172,960	178,525

Carlos Campoy <sup>(2)</sup>	494,269	40%	197,708	147,875

- (1) Dr. Peterson separated employment from the Company in September 2022 and in connection with her separation received a prorated annual bonus based on the target level as part of her severance.
- (2) Mr. Campoy separated employment from the Company in September 2022 and in connection with his separation received a prorated annual bonus based on the target level as part of his severance.

### **Equity Awards**

The long-term incentive component of our executive compensation program is equity-based and is dependent on the future success of the Company. Our equity program includes not only time-based options to purchase shares of our common stock, which require our common stock to appreciate in value before our executive officers realize any economic benefit from the options, but also PSUs, that vest upon the achievement of certain milestones within a designated performance period, and time-based RSUs that vest fully-owned shares over the vesting period.

Our equity awards program is designed to:

- Attract key talent.
- Align our executives' compensation with the long-term interests of our shareholders, as well as with CytomX's performance over the long-term.
- Retain skilled leadership needed to drive the Company forward to achieve long-term success and value creation.
- Maintain competitive levels of executive compensation.
- Encourage employee ownership culture.

In 2022 equity awards to executives (as well as non-executive employees) were comprised of stock option grants, RSUs and PSUs under our 2015 Equity Incentive Plan and our 2019 Employment Inducement Plan, which we implemented to enhance our ability to make strategically important employment decisions.

The Compensation Committee views options, RSUs and PSUs as performance-based, and took into consideration the fact that many companies in our very competitive market have equity programs that have evolved to include options, RSUs and PSUs. The Compensation Committee also believes such grants enhance ongoing employee retention, incentivizes the hiring of potential employees who have become used to receiving a combination of equity that includes options, RSUs and PSUs, encourages employee ownership in CytomX, links pay with performance and aligns the interests of shareholders and employees. Our employees, including the NEOs, have an opportunity to realize value from equity-based awards through sustained, increasing price per share performance in our common stock, as well as by achieving key milestones within the timelines prescribed in PSU grants. The Compensation Committee determines the size of any stock option, RSU or PSU grant after taking into account a number of factors, including each executive officer's position and the market data of our peer group companies provided by Aon. The Compensation Committee also takes into consideration each NEO's recent performance history, his or her potential for future responsibility, and criticality of his or her work to the long-term success of the Company. Other factors may include equity awards previously granted, the amount of actual versus theoretical equity value per year that has been derived to date by the individual, and the current actual value of unvested equity grants for each individual. The Compensation Committee has the discretion to give relative weight to each of these factors as it sets the size of the equity grant to appropriately create an opportunity for reward based on increasing shareholder value.

CytomX's standard vesting schedule for the first stock option grant awarded to newly hired employees, including executive officers, provides that 25% of the shares granted will vest on the first anniversary of the commencement of employment, with the balance vesting in equal monthly installments over the subsequent thirty-six (36) months, until option shares are fully vested, subject to the individual's continued service to us through the applicable vesting date. For RSUs that are granted to a newly hired employee, the shares will vest 25% on an annual basis over the first four years of their employment, subject to the individual's continued service to us through the applicable vesting date.

Additional annual option grants made after an employee, including an executive officer, has provided services to the Company generally vest monthly from the date of grant over four years, subject to the individual's continued service to us through the applicable vesting date. Additional annual RSU grants to employees will generally vest 25% on an annual basis over the next four years of their employment, subject to the individual's continued service to us through the applicable vesting date. The vesting schedule for the PSUs awarded in 2022 to executives provide that 50% of these PSUs granted will vest within one year of the grant date upon achievement of certain specific Company objectives and the remaining 50% will vest within two years of the grant date upon achievement of additional Company objectives.

## TABLE OF CONTENTS

The Compensation Committee grants equity awards to newly hired and existing executive officers. Our general policy is to grant stock options and other equity awards on fixed dates determined in advance, although there are occasions when grants are made on other dates.

All required approvals are obtained in advance of or on the actual grant date. Other than equity grants to new hires, equity grants to executive officers are generally approved once a year when compensation decisions are finalized (typically in January or February, in conjunction with a meeting of the Compensation Committee and Board). If an executive officer is promoted, grants will normally be made at the time of such promotion, or, in rare circumstances, ad-hoc grants may be made for recognition of outstanding performance.

Our NEOs received the following equity grants in 2022.

Named Executive Officer	RSUs (#)	PSUs (#)	Options (#)
<b>Sean A. McCarthy, D. Phil.</b>			
February 2022	75,000		450,000

August 2022		22,500	135,000
<b>Jeff Landau</b>

<b>Carlos Campoy</b>

In accordance with our equity grant practices, the exercise price for these stock option grants was equal to the closing price of our common stock as reported by the Nasdaq Global Select Market on the date of grant and the vesting schedule is as described above for new-hire and subsequent grants.

### **Additional Compensation Policies, Practices, and Perquisites**

#### ***Severance and Change in Control Benefits***

Our NEOs are entitled to certain severance and change in control benefits under the terms of their severance and change of control agreements, as may have been amended and restated, and our equity plans.

Dr. McCarthy's severance and change of control agreement provides for: (i) 18 months of salary, pro-rated annual target bonus and 18 months of COBRA premiums in the event of a termination without cause or for good reason outside of the 60 days prior to or 12 months following a change in control and (ii) 24 months of salary, 24 months of annual target bonus, 24 months of COBRA premiums and full acceleration of outstanding equity awards in the event of a termination without cause or for good reason within 60 days prior to or 12 months following a change in control.

For other NEOs, the severance and change of control agreements provide for: (i) 12 months of base salary, prorated annual target bonus and 12 months of COBRA premiums in the event of a termination without cause or for good reason outside of the 60 days prior to or 12 months following a change in control and (ii) 12 months of base salary, annual target bonus, and 12 months of COBRA premiums and full acceleration of outstanding equity awards in the event of a termination without cause or for good reason within 60 days prior to or 12 months following a change in control. Dr. Peterson's severance and change of control agreement provided for the same payments and benefits as the other NEOs (other than Dr. McCarthy) in the event of a termination without cause or for good reason, but, for a termination without cause or for good reason within 60 days prior to or 12 months following a change in control, Dr. Peterson would have received 15 months of salary, 15 months annual target bonus and 15 months COBRA premiums and full acceleration of outstanding equity awards.

The Compensation Committee believes these severance and change in control benefits, which are subject to the execution of general releases of claims against the Company, are essential elements of our executive compensation program and assist us in recruiting, retaining and developing key management talent in the competitive San Francisco Bay Area employment market. Our change in control benefits are intended to allow employees, including our NEOs,

## TABLE OF CONTENTS

to focus their attention on the business operations of CytomX in the face of the potentially disruptive impact of a rumored or actual change in control transaction, to assess takeover bids objectively without regard to the potential impact on their own job security and to allow for a smooth transition in the event of a change in control of CytomX. In addition, our severance benefits provide reasonable protection to the executive officer in the event that he or she is not retained. We do not provide for any excise tax gross-ups in the amended and restated severance agreements.

In connection with Dr. Petersen and Dr. Campoy's separation of employment from the Company in September 2022, which were terminations without cause under the terms of their Amended and Restated Severance and Change of Control Agreements, as described above, both entered into separation agreements with the Company (Dr. Peterson, on September 12, 2022; Mr. Campoy, on September 30, 2022). The separation agreements provided that both would receive severance benefits consistent with the provisions for termination without cause under the terms of their respective Amended and Restated Severance and Change of Control Agreement, as described above. Dr. Peterson and Mr. Campoy also entered into consulting arrangements with the Company in September 2022 and October 2022, respectively, both of which are due to expire upon their one-year anniversary, pursuant to which they are each entitled to receive \$500 per hour for time spent on Company matters. Under the terms of their consulting arrangements, Dr. Peterson and Dr. Campoy's outstanding equity awards will continue to vest until September 2023 and October 2023, respectively, unless either consulting arrangement is terminated earlier.

### ***Broad-Based Benefits***

We offer a comprehensive array of benefits to our employees, including our NEOs, who are eligible to participate on the same terms as other employees. Benefit programs include a variety of health insurance plans, 401(k) plan with Company matching contributions at Board-approved levels, employee stock purchase plan and term life insurance. These benefits are offered to all employees, including executive officers, in order to attract and retain employees. We do not offer defined benefit pension or other supplementary retirement benefits to employees.

**REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**

*The material in this report is being furnished and shall not be deemed “filed” with the Securities and Exchange Commission (SEC) for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (Exchange Act), or otherwise subject to the liability of that section, nor shall the material in this section be deemed to be “soliciting material” or incorporated by reference in any registration statement or other document filed with the SEC under the Securities Act of 1933, as amended, or the Exchange Act, except as otherwise expressly stated in such filing.*

The audit committee is currently comprised of three non-employee directors, Matthew P. Young, who chairs the committee, Mani Mohindru, Ph.D. and Halley Gilbert. The audit committee has the responsibility and authority described in the audit committee charter, which has been approved by the Board. A copy of the audit committee charter is available on our website at [www.cytomx.com](http://www.cytomx.com).

The audit committee is responsible for assessing the information provided by management and our independent registered public accounting firm in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls and reports to the audit committee on any deficiencies found. Our independent registered public accounting firm, Ernst & Young LLP, is responsible for auditing the annual financial statements and for reviewing the unaudited interim financial statements.

In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2022 with both management and our independent registered public accounting firm. The audit committee’s review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments and the clarity of disclosures in the financial statements.

The audit committee reviewed with our independent registered public accounting firm the overall scope and plan of the audit. In addition, it met with our independent registered public accounting firm, with and without management present, to discuss the results of our registered public accounting firm’s examination, the overall quality of our financial reporting and such other matters as are required to be discussed under the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and the Securities and Exchange Commission.

The audit committee has discussed with Ernst & Young LLP that firm’s independence from management and our company, including the matters in the written disclosures regarding independence from Ernst & Young LLP required by applicable requirements of the PCAOB. The audit committee has also considered the compatibility of audit related and tax services with the auditors’ independence. Based on its evaluation, the audit committee has selected Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the Board, and the Board approved, the inclusion of the audited financial statements and management’s assessment of the effectiveness of our internal controls over financial reporting in the Annual Report on Form 10-K for the year ended December 31, 2022 filed with the SEC.
