CytomX Therapeutics Announces Full Exercise of Underwriters' Option to Purchase Additional Shares

February 3, 2021

SOUTH SAN FRANCISCO, Calif., Feb. 03, 2021 (GLOBE NEWSWIRE) -- CytomX Therapeutics, Inc. (Nasdaq:CTMX), a clinical-stage, oncology-focused biopharmaceutical company with a vision of transforming lives with safer, more effective therapies, today announced that it has issued and sold an additional 2,142,857 shares of common stock, pursuant to the exercise in full of the underwriters' option to purchase additional shares in connection with CytomX's previously announced underwritten public offering of common stock. Including the shares sold pursuant to the underwriters' option to purchase additional shares, CytomX issued and sold a total of 16,428,571 shares of common stock at a price to the public of \$7.00 per share in the offering, resulting in net proceeds to CytomX of approximately \$107.7 million, after deducting underwriting discounts and commissions and estimated offering expenses. All shares in the offering were sold by CytomX.

J.P. Morgan Securities LLC, Cowen and Company, LLC and Piper Sandler acted as joint bookrunning managers for the offering.

The securities described above were offered pursuant to a registration statement that was filed with the Securities and Exchange Commission ("SEC") on November 6, 2018, amended on February 6, 2019, and was declared effective on February 11, 2019. The final prospectus supplement relating to and describing the terms of the offering was filed with the SEC on January 21, 2021 and is available on the SEC's website at www.sec.gov. Copies of the preliminary prospectus supplement and the accompanying prospectus relating to these securities may also be obtained for free from: J.P. Morgan Securities LLC, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York 11717, telephone: 1-866-803-9204, or by emailing at prospectus-eq_fi@jpmchase.com; Cowen and Company, LLC, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, NY 11717, via telephone: +1 (833) 297-2926, or via email: PostSaleManualRequests@broadridge.com; and Piper Sandler & Co., Attention: Prospectus Department, 800 Nicollet Mall, J12S03, Minneapolis, MN 55402, or by telephone at 800-747-3924, or by email at prospectus@psc.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, these securities in any state or jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification of these securities under the securities laws of any such state or jurisdiction.

About CytomX Therapeutics

CytomX is a clinical-stage, oncology-focused biopharmaceutical company with a vision of transforming lives with safer, more effective therapies. The Company is developing a novel class of investigational antibody therapeutics, based on our Probody® technology platform, for the treatment of cancer. CytomX has strategic drug discovery and development collaborations with AbbVie, Amgen, Astellas, and Bristol Myers Squibb. The CytomX clinical-stage pipeline includes potentially first-in-class product candidates against previously undruggable targets, including a CD166-targeting Probody drug conjugate wholly owned by CytomX (CX-2009) and a CD71-targeting Probody drug conjugate partnered with AbbVie (CX-2029). CD166 and CD71 are among cancer targets that are considered to be inaccessible to conventional antibody-drug conjugates due to their presence on many healthy tissues. The CytomX clinical-stage pipeline also includes cancer immunotherapeutic candidates against validated targets such as the CTLA-4-targeting Probody therapeutics, BMS-986249 and BMS-986288, partnered with Bristol Myers Squibb, and its wholly-owned anti-PD-L1 Probody therapeutic, CX-072.

Forward-Looking Statements

This press release includes forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors that are difficult to predict, may be beyond our control, and may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied in such statements. Accordingly, you should not rely on any of these forward-looking statements, including statements regarding the use of proceeds. Additional applicable risks and uncertainties include those identified in CytomX's prospectus supplement filed with the SEC on January 21, 2021, including the documents incorporated by reference therein, which include CytomX's current and future reports filed with the SEC, including its Quarterly Report on Form 10-Q filed with the SEC on November 5, 2020. The forward-looking statements contained in this press release are based on information currently available to CytomX and speak only as of the date on which they are made. CytomX does not undertake and specifically disclaims any obligation to update any forward-looking statements, whether as a result of any new information, future events, changed circumstances or otherwise, except as required by law.
